News and Highlights

The RAUVISIO family

RAUVISIO crystal Deep Collection

A deep blue underwater scene with a diver visible in the lower left corner, swimming away from the viewer. The water is dark and textured with light rays filtering down.

RAUVISIO crystal – Deep Collection

Perfection of Dimension

As deep and unfathomable as the ocean. Matt surfaces assume an **unimagined depth effect** with RAUVISIO crystal Deep.

Immerse yourself in the combination of **smart glass** accentuated with a **subtle metallic lustre**. When exposed to light, the beauty of the deep gloss effect comes into its own, lending the room a unique atmosphere.

It suits every style. RAUVISIO crystal Deep adds highlights to monochromatic designs and is an elegant companion for wood and stone surfaces.

Perfection

A new dimension of depth.

We are adding a new, exciting component to the popular glass effect of our RAUVISIO crystal surface family: a subtly shimmering metallic look that lends a new dimension of depth effect to matt interiors.

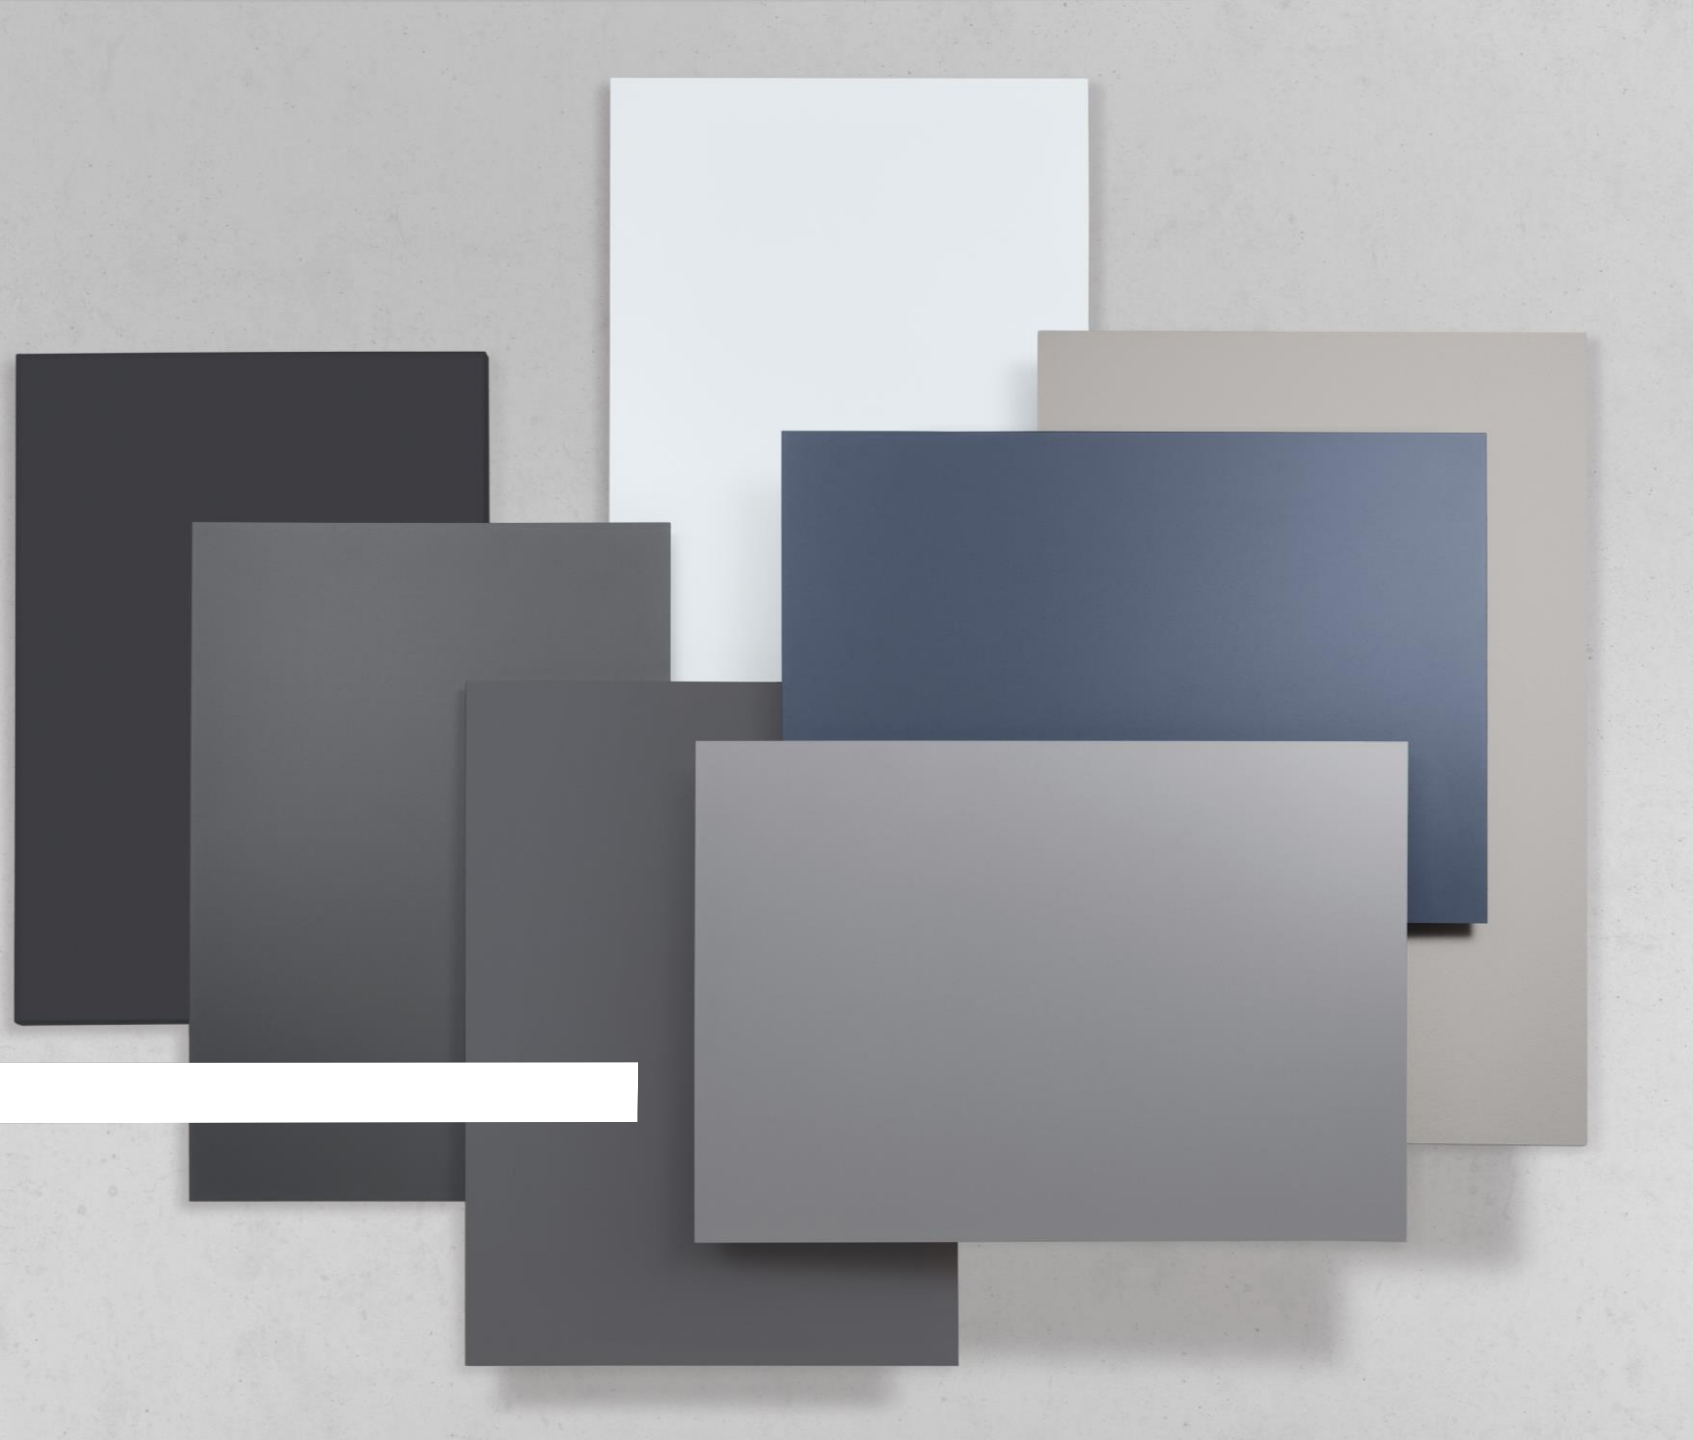

Aesthetics

Nuanced metallic shimmer in combination with elegant colour range.

Displaying a wide range of timeless colours from pale grey to dark anthracite, RAUVISIO crystal Deep produces an air of both sophistication and discreet elegance.

elegant color
range**

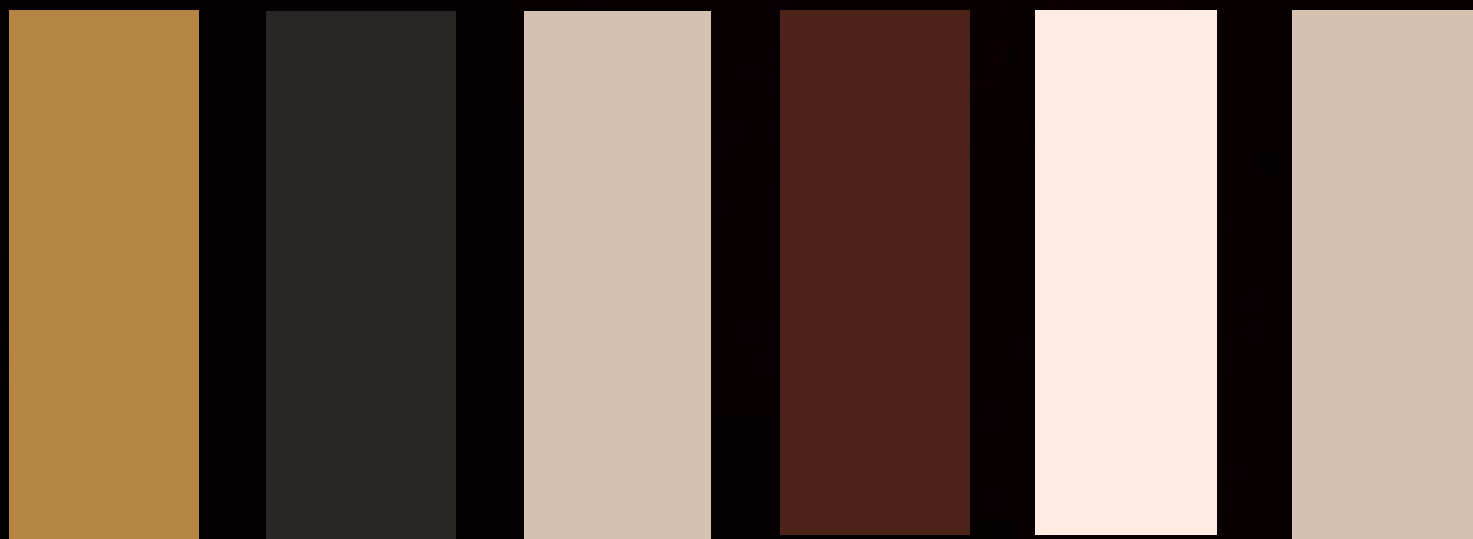

The new Passion for color 2023

A feast for the senses

**A feast
for the
senses**

Spice up your interior!

Curcuma Gold

Pepper Grey

Vanilla Cream

Ground Chili

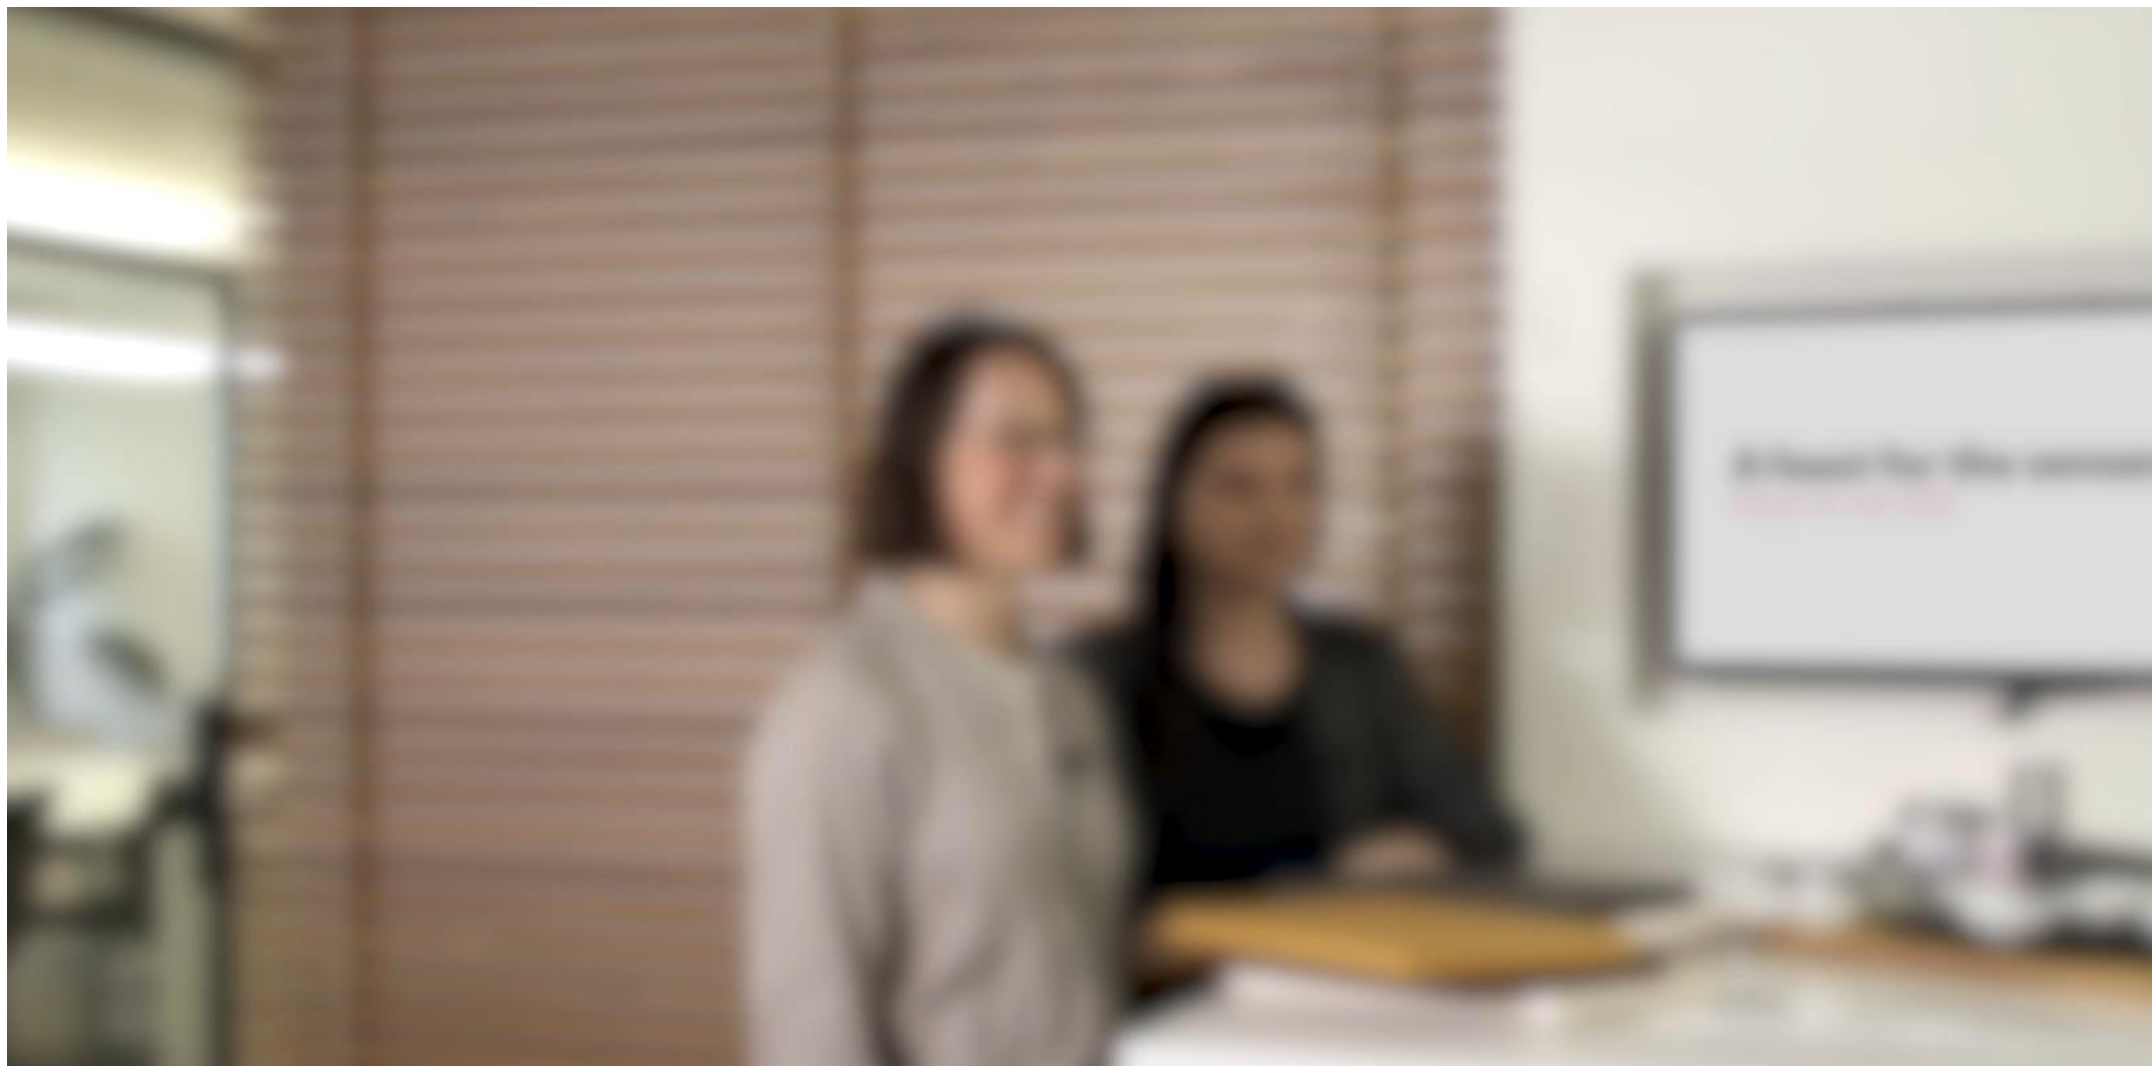

Pink Salt

Nutmeg Brown

Collection consisting of 6 colors inspired by the wonderful world of spices - expressive and timeless at the same time. Perfectly combinable with each other or prominent as soloists.

Perfect color harmony

Our product range coordination guide ensures that **surfaces, edgebands and storage solutions** are perfectly matched in terms of appearance, tactile characteristics and materials.

This not only looks beautiful, but also saves you time and nerves - because you receive all components uncomplicatedly and reliably from a single source.
