Enhancing lives

## RAUBASE plinth systems

The basis for modern kitchen design  
[www.rehau.com](http://www.rehau.com)

# Engineering progress

Attention to detail is an important part of kitchen design. Gone are the days when several components with different surface finishes had to be painstakingly coordinated with each other. Whether this is aluminium or our exclusive stainless-steel finish, REHAU offers real value. From tambour doors and worktops to alcoves, carcasses and plinths. This means: You get the best of both worlds. Functionality and processability of the polymer meets the design quality and feel of real aluminium.

**Enhancing lives**

A man with a beard, wearing a light blue shirt and jeans, is sitting on a brown shag rug. He is holding a large brown and white speckled dog. In the background, there is a modern kitchen with dark grey cabinets and a white countertop. A chrome faucet with a digital display is visible on the left. The text "Enabling creativity, creating favourite places" is overlaid on the image in white.

**Enabling creativity,  
creating favourite places**

## Our RAUBASE plinth systems form the basis for modern kitchen design.

They are both functional and decorative elements for any kitchen, comprising plinth covers, corner profiles, external and internal corners, connectors, end caps and plinth sealing profiles.

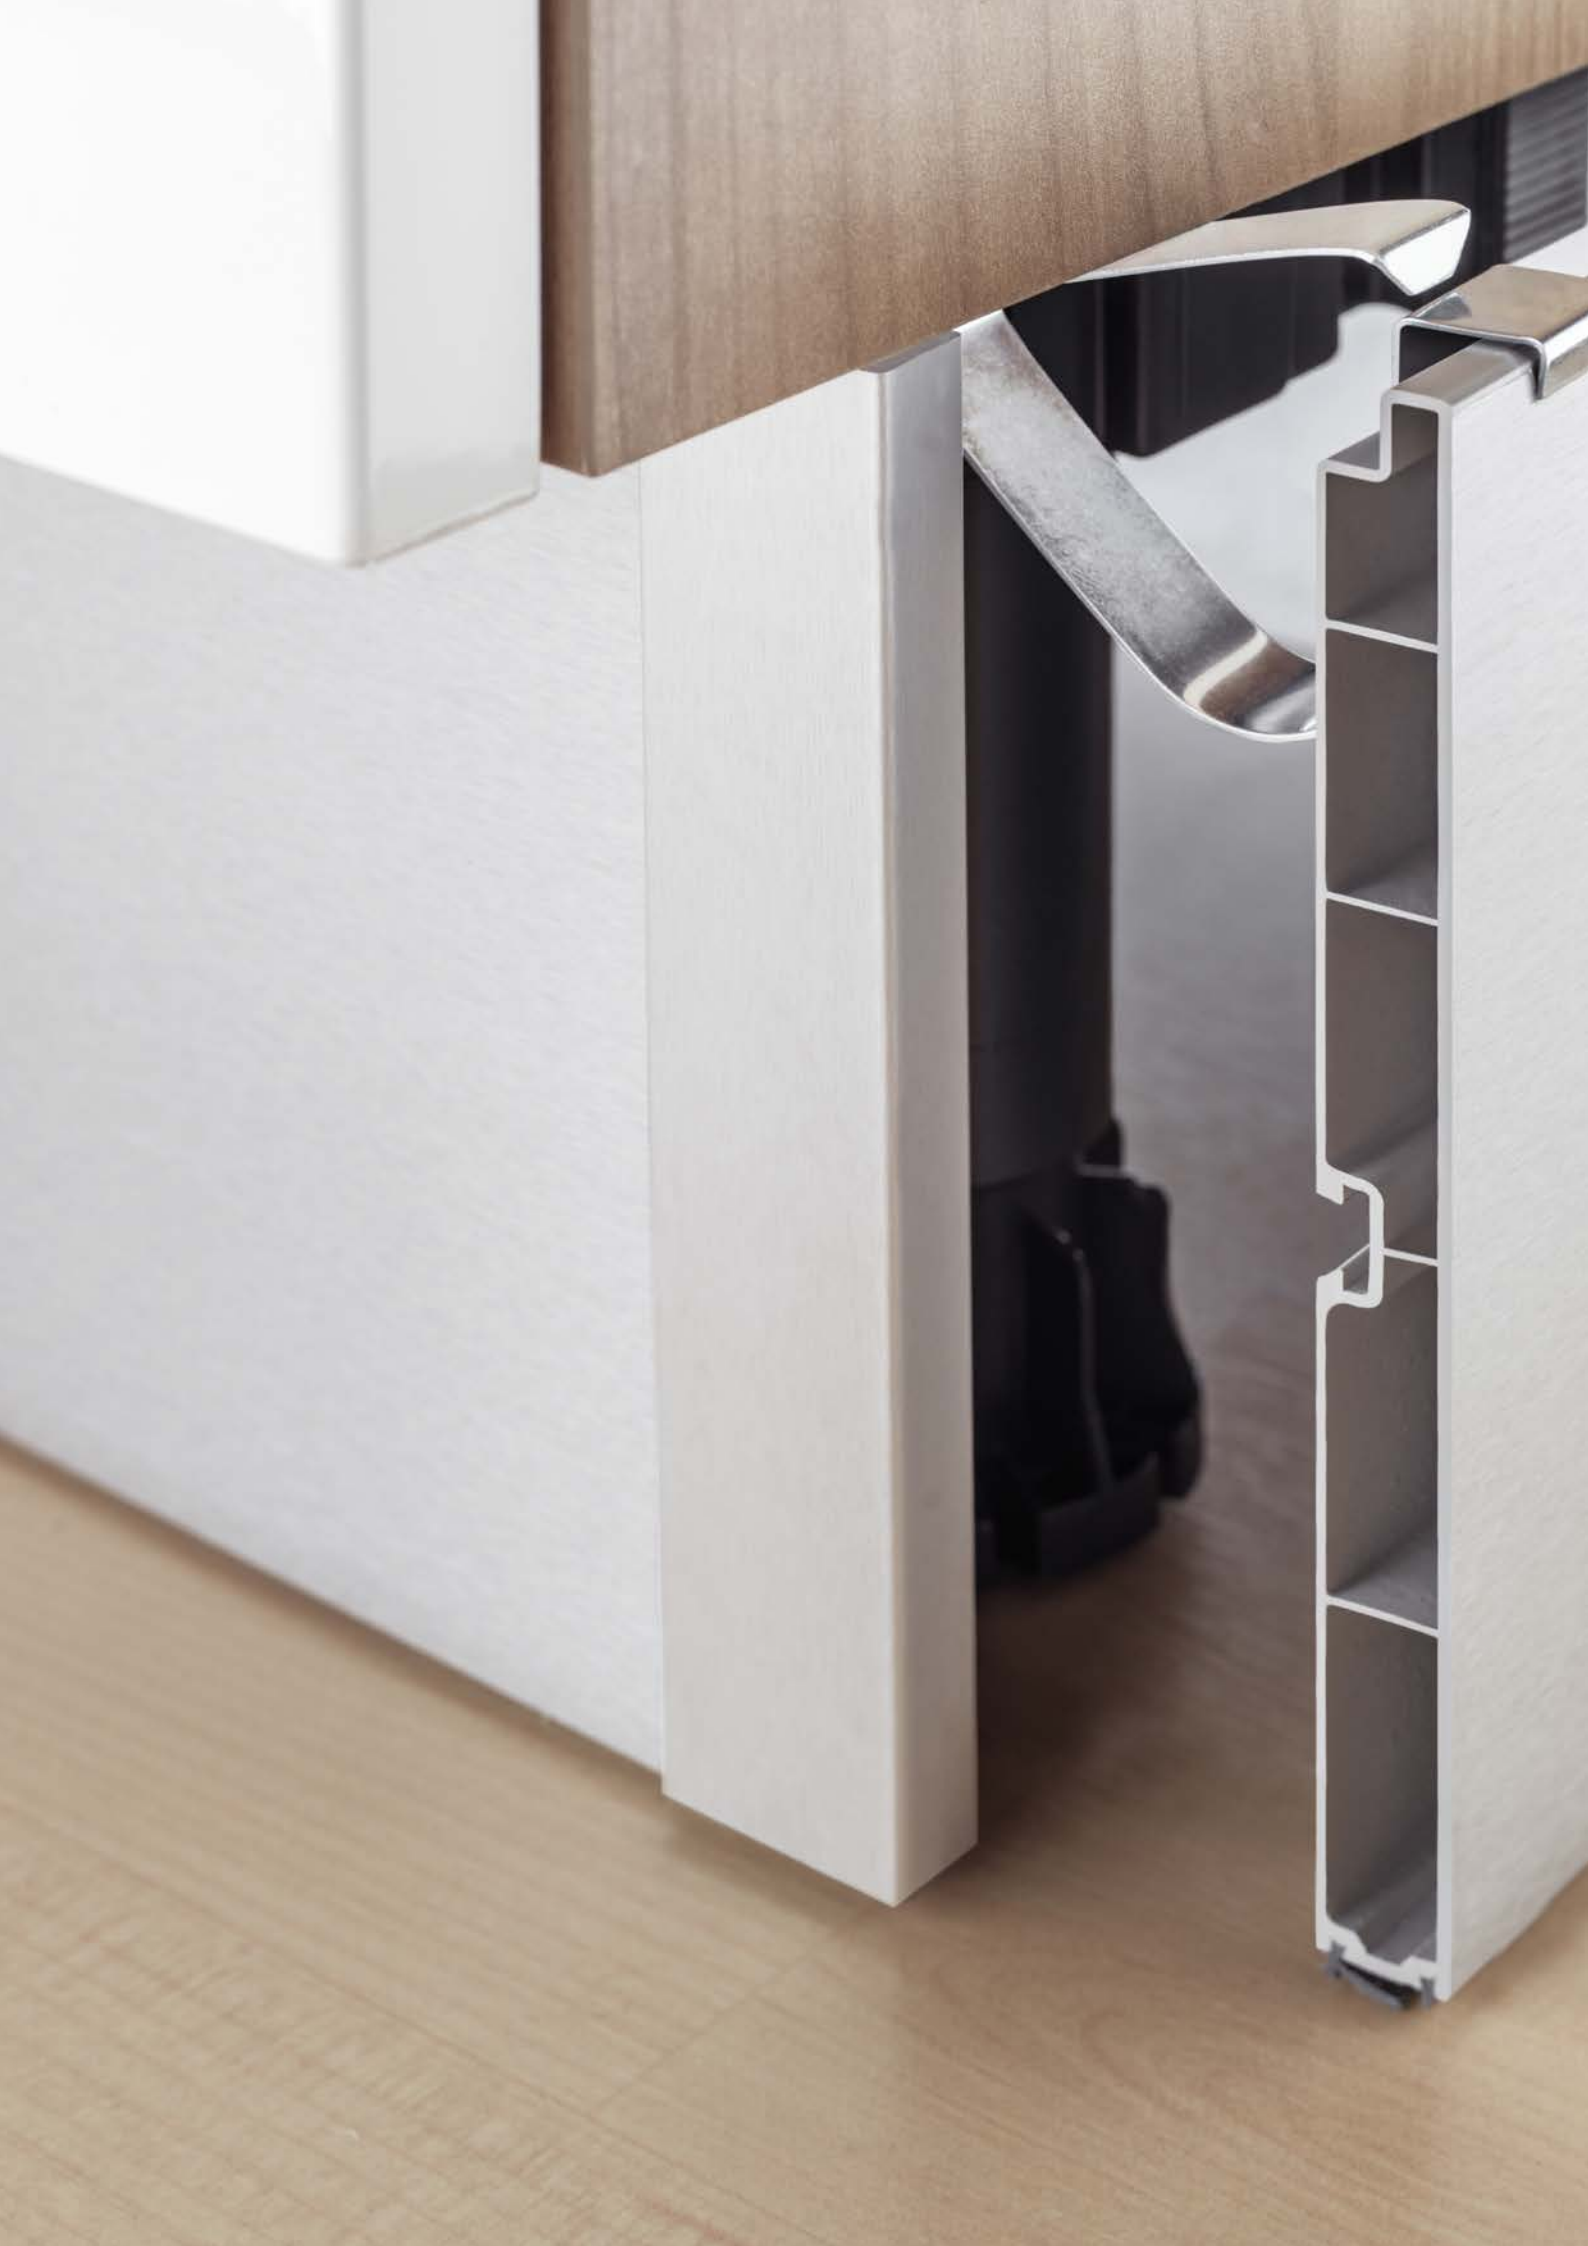

Speaking of decorative, there are now six decors that can be ordered quickly and in small quantities.

# 01 Your benefits

RAUBASE plinth systems have served as the basis for modern kitchen design for more than 15 years.

## Universal metal plinth clip

for quick and easy mounting

## Watertight

Sealing lip is a reliable buffer against moisture and dirt

## 3 nominal height options

matched to the kitchen design: 100, 120, 150 mm

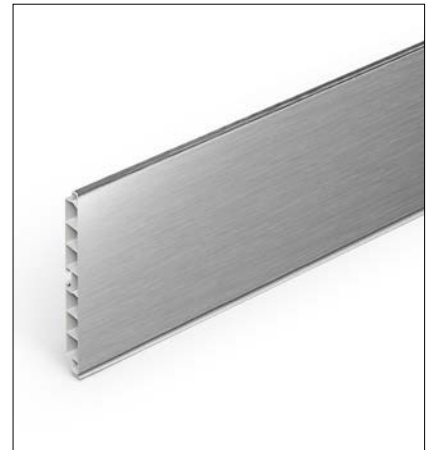

## 02 System overview

The RAUBASE range comprises 2 versions. RAUBASE inition was developed for everyday use in family households. Safe and stable in application, it is also easy and intuitive to process. Our premium plinth system RAUBASE pro not only impresses with additional stability and strength, it also ensures a convincing look down to the last detail. This is made possible by an invisible sealing lip and an optimized surface that makes for an even more pleasant, uniform overall appearance.

### RAUBASE inition plinth cover 100

Art. No.	Designation	Decorative design no.
13352261019	Smooth aluminium	2619L
13352261020	Brushed aluminium	2620L
13352261021	Brushed stainless steel	2621L
13352261022	Silver	2622L
13352261023	White	2623L
13352261024	Black	2624L

Scope of supply: 15 lengths of 4 m per box

### RAUBASE pro plinth cover 100

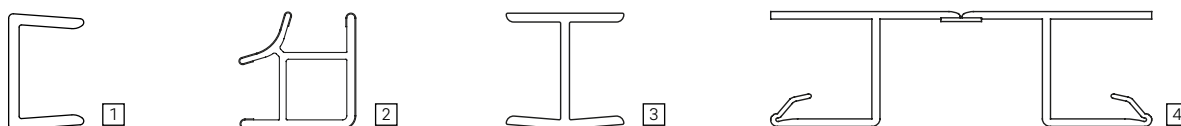

Art. No.	Designation	Decorative design no.
13471621019	Smooth aluminium	2619L
13471621020	Brushed aluminium	2620L
13471621021	Brushed stainless steel	2621L
13471621022	Silver	2622L
13471621023	White	2623L
13471621024	Black	2624L

Scope of supply: 15 lengths of 4 m per box

## Moulded pieces

With both RAUBASE inition and RAUBASE pro, all molded parts are available in the optimal color match.

## Profile cross-sections

### RAUBASE inition plinth cover 150

### RAUBASE pro plinth cover 150

## 03 Accessories

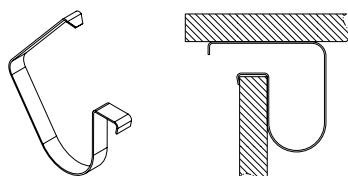

### REHAU metal plinth cover clip

#### Benefits

- It is no longer necessary to carry out a time-consuming adjustment of the fastening elements for the plinth legs.
- The spring steel fastening clip ensures there is just the right amount of pressure on the plinth cover's sealing lip at all times.

#### Note

When using the fastening clip, ensure that there is a space of min. 3 mm and max. 15 mm between the upper edge of the plinth and the bottom.

Art. No.	Material	Colour	REHAU Decorative design no.	Version	Scope of supply
13558601001	Steel	Silver	-	plinth cover clip	20 pieces per box

## REHAU plinth sealing profiles\*

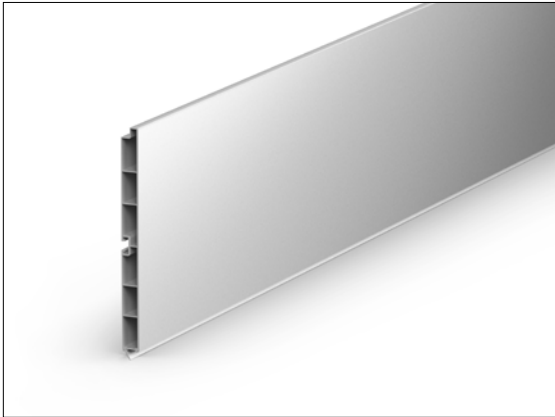

- Protect the plinth cover made of engineered wood from moisture
- Discreet appearance with translucent material

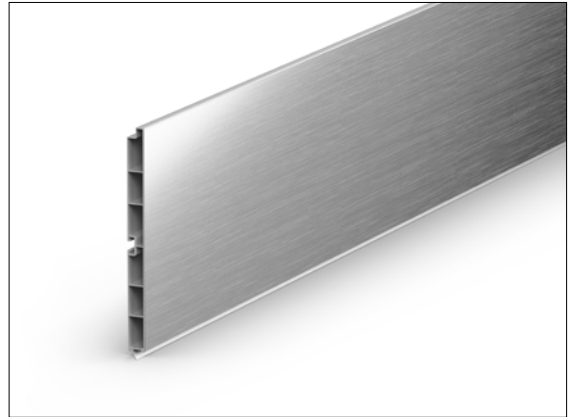

Art. No.	Material	Colour	REHAU Decorative design no.	Version	Scope of supply
