Interior in design match

RAUVISIO noir is part of the excellent noble matt collection and therefore offers more possibilities for every project. Combine RAUVISIO noir in the front with the alternative RAUVISIO brilliant noble matt or the RAUVOLET noble matt storage solution. Of course, we also offer the matching RAUKANTEX noble matt edgeband.

With this holistic, award-winning approach, we make the difference – you get not only matching individual products but a well thought-out overall system for unique projects and interiors from a single source.

RAUVISIO noir

Monotonic matt surfaces blending elegance and craftsmanship with the modern contours of cosmopolitan life.

The silky matt finish makes surfaces come alive and creates the perfect balance of design and function. RAUVISIO noir with its robust HPL surface is a versatile material with a noble matt finish and velvety soft surface, which is excellently suited for the mechanically highly stressed horizontal use. This makes it the ideal companion for all conceivable areas of application and projects.

Benefits at a glance

Velvety soft haptic & noble matt optic

Easy to clean & anti-bacterial

Anti-fingerprint

High scratch & micro-scratch resistance

High water & heat resistance

Can be processed with woodworking tools

Health and safety: we completely dispense with the use of the hazardous raw material phenol in our production. Instead, we use environmentally friendly, thermosetting resins.

Sustainability guaranteed

Our RAUVISIO noir products fulfil PEFC criteria for a sustainable supply chain for forest products.
