RAUVISIO brilliant SR

Intensive colour vibrancy and exceptional durability

The rich colour depth differs from normal high-quality lacquered surfaces, adding more vibrancy to your project. The hard coating makes RAUVISIO brilliant SR particularly resistant to everyday use, with even higher scratch resistance and greater resistance to chemicals.

Vorteile auf einen Blick / Advantages at a glance

High scratch resistance

Excellent surface smoothness (high-gloss)

Anti-fingerprint (matt)

Colour- and UV-resistant

High resistance to chemicals

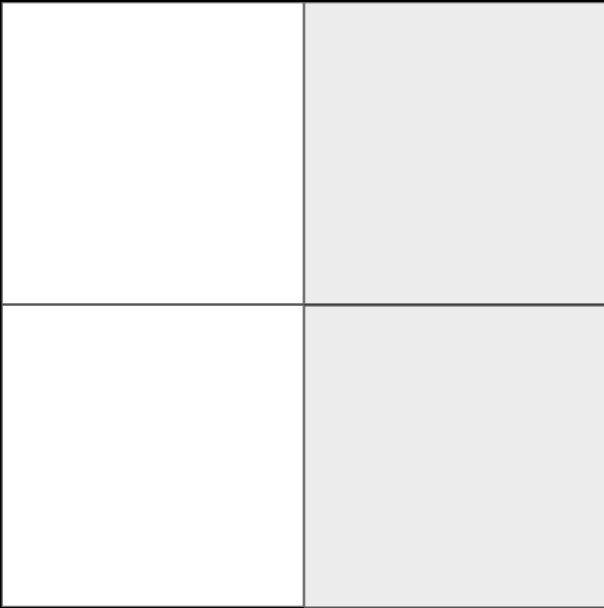

Can be worked on with standard woodworking tools

Sustainability guaranteed

Our RAUVISIO brilliant products fulfil PEFC criteria for a sustainable supply chain for forest products.
