RAUVISIO crystal

Colors are the essence of any interior. Create each concept in perfect harmony with your individual color and material requirements.

With our RAUVISIO crystal surface material, the interplay of colors is limitless, matching your individual solid color specification. Whether it is matt and high gloss, it creates its very own dynamics in the room, providing you with something unique. Highlighted and focused, or large-scale – the material properties of the smart glass provide design freedom.

Advantages at a glance

Custom colors to meet your needs

More scratch- and break-resistant than real glass

Lighter than real glass

Easy to clean and anti-fingerprint finish on matt surfaces

Processing with woodworking tools

Design flexibility through millings and backlighting

Pressed boards 2,800 x 1,300 x 19/4 mm

Mocha Mousse

creamy – rich – sophisticated

The Pantone trend color of the year 2025 envelops any space in a sense of warmth and understated luxury. With its rich, creamy depth, this earthy hue exudes comfort and sophistication. It finds its perfect counterparts in an intense, dark brown that amplifies its velvety warmth and a deep, moody blue that infuses the room with a quiet, refined elegance. Together, these shades create an atmosphere of timeless beauty—both grounding and inspiring, serene yet full of depth and character.

high gloss 3619L

matt 3620L

Moodboard consists of RAUVISIO crystal Onda and Terriccio, RAUVISIO cube Nutmeg Brown in combination with burgundy-colored wool fabric on Japanese handmade paper.
